

Floor plan of the Companion Care room. The room is rectangular with a dashed black border. It contains a toilet on the left, a sink, and a bathtub. A callout '1' points to a feature on the left wall. A callout '6' is at the top right, and another '6' is at the bottom right. The text 'COMpanion CARE' is in the center, with '62TD44' above it.

Technical drawing of the T2TQ48 Companion Care unit, showing top and side views with dimensions and callouts.

Top View Dimensions:

- Overall width: 5
- Overall height: 6
- Internal width (dashed line): 5
- Internal height (dashed line): 6

Callouts:

- 1: Points to the top edge of the unit.
- U: Points to the side walls of the unit.

Internal Components and Labels:

- T2TQ48
- COMPANION CARE
- *G: Points to a component on the right side.

Top view diagram of the T2TC666 Companion Care unit. The unit is rectangular with a dashed black border. It features a central control panel with a screen and buttons, and a large circular opening on the right side. The unit is labeled "T2TC666" and "COMPANION CARE". Dimensions are indicated by arrows and labels: 2' (feet) for the width and 2' for the height. The unit is shown in a light gray color with a dashed black border. The diagram includes a coordinate system with labels AE, TC.8, and 2'.
